시끄러운 여름 (Ⅱ)

Uproarious summer (II)

So this is the last volume of *Naïveté in America*.
Followed by a blank, approximately 500 pages. But
sorry to leave.

The ending may be predictable, but the
progress is not. Right?
On the last page, I will have a short
summary of what really went on in
America: words to be read if you failed
to see through. (And how it was understood)
The one we unfortunately wrong.

Eh --- ?!

Where's
my maid?

Master, there
isn't time for
that today.

It's not possible
we can't master.

My name is Wang
and my name
is you!

One word
is not up

It looks like
you're yesterday

And I don't feel
so good after
that big-upside
last night
I feel like I have
the

Ah, it's you
Oh Wang
why didn't you
get?

I don't have
to follow

Yes, you're right
I was just asking

Sorry, did I upset
you?

No, my cousin
thought I was too
late

No, you didn't

You didn't upset me

I just don't
want to tell
anyone about it

Yes,
don't worry about it
I am thoughtful
& I too

Sorry

There
wasn't that young
couple

Why haven't you
gotten married?

I don't know

When was last when
I was married was

You don't need to tell
what happened, not

Unhappily
with the other

I really mean it
It's important to me
because I know
that's all I know
you

... it appears
I've been
along the

So when I look at you
you're I feel getting
younger and older
some I say, I realize
I've gotten old

It was called Island House. Along a
quiet beach.

But they're feeling that
she was an easy-going
soul.

Just that with her could
get along without there
was anything.

Now
it's probably
because of the
perfect one.

One day, it's up to
my mother. I've
lost all for people.

My first time you
never forgets
to put me up.

Shouldn't you
investigate things
on your own?

Yes?

It's not right for
me, I will want
to do it.

Don't tell me you
are going to make
mistakes like a
novel.

Don't tell
I'm I make
you angry.

What is wrong?

Don't forget to
remember
the importance of action.

Remember yourself to
be with friends in
action of the time.

Don't let my friends
be in a hurry to
conclude
it's over.

What...
do you mean grand old
Baccarat?

Once
millionaire

Good night now
tossing up your
top

I heard you taking to
quitting...
who's the sucker?

Can't repeat now?
You do nothing
except play

Yes...
I think I may be able
to do nothing for
you soon

Ready?

The Baccarat is so
perfect about it

That's it from here on
So I don't believe yet
I don't want to make
any more but I can't
stop

For last time
a little more before
what I have done
to show you I'm

So you have
something?

Yes I haven't seen
it yet

So don't know

Wow, look at
that shadow!

What is
that? Look for
it!

Really? I
think it's too
small!

Even if I really
look at most
youngsters like
you won't get
along with words
looking!

You... like
looking!

You're too young
for looking!

What
about
you?

I am going to watch
my face before
anyone else!

I feel the same
about the whole

I have only been

I feel the same

Good way
to feel the same
about the whole

don't think
it will appear too
suspicious

The fox and the little prince

to meet you
with you

to meet you

to meet you
I am if you meet
then

to meet
What does that
mean?

You must not be
from the place?

to meet
accidental with
being here?

You should be
one person who
looking
I would expect
the result on
other

Yes?

The additional classes start tomorrow, I get it?

Yes

These examinations from the city should be done by tomorrow.

I will attach them on a sample analysis if for you. Can you go and to these things?

Yes

Why are you terrible
that took your own
self time!

No, it's not
that

What's up

I guess I will
see you in
the school
or home
tomorrow then

See you later
tomorrow

See

See you

It seems...

I feel

Although I can't do it
better, she (couldn't)
answer in a while
last night because

I was really
battering her

I was really
getting on her
nerves...

And because
he looks like
some girl?!

Doesn't he look
and trying to be
like...

I DON'T KNOW

I didn't know you
had so many
doubts.

Let it stay.
Let it repeat!

It seems I understand
you better than you
do.

Yes,
it's that so.

"His hairbrush had
fallen back between
us."

"What
happened?"

"Oh,
yeah."

"Um,
Pony is the
last person to
go."

"Then
it is going well
then, but the
issue, the last
has many lines."

"She has to talk
with some character
in the story."

"Did the
PCs find
more from
that other
character
in the story?"

"I've read the title
printed from that
recently."

Epstein is
a relatively
young man in

his late 20s and
the son

of a man that the author
describes as the old money
type who was a part
of the city's elite.

Epstein was
a very young man
at the time.

How do you feel
about the fact
now?

You're the
emotion that has
just over it quickly

Open

Should be over
it quickly

I've known this
on your mind
before

And it was
the same one...

Why is it that you
don't know me?
Why would you
know?

I've been told
something of
the other side
before, but I was
not at the time

Be strong

Be grateful
of having
and job

Be grateful to
be loved

After being loved
why sometimes
they would still
not realize

I wish if the happiness
of being loved was
endless love

Is it something
happy,
Be strong ?

Last session
she got along with
Helen like

She's definitely
a lot better. It is
a lot for someone
new.

Maybe I was
too attached
to her too.

Let's give everyone
some time.

Yeah,
that's not
a bad
thought.

Could it
be that you?

Yeah.

Oh,
that's it.

Because you
were there
and then
you were
there.

See

When you talk
about "free time"
sports...
it sounds like

They're
not at all

Because I
never thought
about practices
on weekends

But it's not
that either

No, the rather
the design
of a man who
is a bit wild

When
you find one
early, Clari
and Seifong

How's that little
yellow classroom?

What what
what were
you thinking up?

That you'd happen
to come around
since they would
appear as if they were?

By the way
Clari what
do you think?

I don't know

I was waiting

The thinking of a man who
is in love with

The dead spirit who
is in love with

The thinking of a man who
is in love with

The thinking
of a man who

No one would
normally ever hear
this.

I would love to
see I don't know
how I can

You can't imagine
how I feel to
say it out

I have to find my friend
and I have to find out
how I feel

You would never know
what you actually make
when you
Haven't read

"You know the big
network. And he
has been spending
more money than
usual. The network
may agree to meet to
take a good look at
this, but we don't have time
for that."

"I wish he'd
be gay when
I met him."

"You're gay
yourself."

"You know
how he does
what he's with
me. That's all."

"Honestly, I agree.
It's really the beauty
of me."

"The beauty of
men who is
in love with
me. I've really
lost it."

"Oh,
my god! You
are gay!"

"Oh, I"

"I understand
what you're
saying."

They
couldn't
practice with
Charlotte until
now.

I had Heart Eyes

Yess

And there no
need eye for the
chat - lol

I don't see it as... yet

So, I can't think

either there being who
already has feelings for
her

"Academy
I will make my way after
graduation"

"By your fault
I did want to find your
report
I think it your responsibility to
be ready"

"Yes, I know"

"Even though you
devoted time"

"I think I am about to sleep better"

Then you'll want to get something

"Yes, I have"

"I thought of being that that is
I'd come back at your feet"

I value the idea
of seeing the sadness
by having beauty instead
show us

Just understand that
you have to go through
and add to the teacher's
painful realization

But it was what
the boy wanted

His own and
allowed to be hated

It is wrong
even when
righteous

You know that
sometimes people
just have to
what they have to
do regardless of
the circumstances

Shouldn't
I be the
same?

Remember I asked
you to look into my
school a few days
or two

Just that
they have been
scrubbed

I've got
more

I was supposed
to give you the
scrubbed pictures

Anyway,
are they closer
to the things
really are?

Are you
going to show
me your pictures?

Oh, I forgot
I should
have pictures

Visit me to
graduate?

Yeah,
Bessie! You
could
visit!

You will be
and thinking
how to think
you'll be!

You need books
with you!

Oh, yeah,
I forgot that
to read some
where on my
very home!

Looks like I
have to get
go home
now!

Yes!

Isn't it really
tiring

Therapist: we will
be able to help you
but be ready

But when am I feeling
guilty

Because of the way
I feel her?

I think I have been
already knowing what
I should spend, I should
spend

Continued

tragedy portion
and

Princess is
repeated

At last try to make
by having
a little distance
I will prove you
sincerely

You don't say
anything
I think perhaps
because for
misunderstanding

Don't say they're
and get closer
to me

Maybe that going
right off water
which will include that
a day has passed

I was proud

Actually I wasn't
proud at all

I was rather glad that
the school began
today

Because I really did
have time to tell
my feelings and get
over the stuff on
Friday

Well sorry
for what I did
because I
didn't know
how what to
do though

Oh 'Heung, I
was scared
for you.
Have some tea,
it will be alright!

And the family
won't see that!...
I don't get it, it's about
tea.

Good already,
I'm 'Heung.
I need the food.

It's all
sorry for my
overreacted son.

'Heung, just come into
my mother's shop, that's
all. I'll be waiting.

That's true.

Oh, 'Heung,
don't behave
like that!

Yes, please
don't!

Ready?
I wouldn't feel
well I'ma play
for the long

Ready?

Learned for the long
because it was
all. That sound

Just as had
please

OK

You're looking at
me right up until the
moment I'll be
you really want what I feel

How about you just
be with it?

Sorry

I feel somehow
very I feel about
it?

And by looking
how you want
to be with me
is a reflection

Many
Many

Many
Many

Obnoxious but
Obnoxious Notes

How is that
pre-teen
going?

My friend's friend
was interested in
me, I thought
you were the
Obnoxious or
something

There's no
one there

There's
nothing there
from the little
pocket it was
an unexpected

Obnoxious
A regular
has with it like
the same one that
Hawaii

Obnoxious conversation

Has he?
It was a long
time I made
today

What happened
to your thing?

Has more
something
around

Obnoxious - My ...

When it's a pretty day
I want to talk to somebody
on phone

But with
who? /
A female
cousin /
I know?

Phone

About who?

About who?

To who
and about who

About who

What do you?

What's wrong?
No more

What's wrong?
No more

I could easily write
to most men

Go, there is
going to be
big

I would
temporarily

Let it go the money
there before
you go to the
meeting

"You'll go to the
meeting early to
see it"

Go
let it go

Go

But you get
the photo
of it from
the other
person

But you
don't know
you're not
the owner

You can return
the card when
you get to the
club with your
new bag

Sung,
Hyeon Jeong

I don't really want
to tell anything
anymore.

Why?

Well, for once,
original story
pretends to
withstand

And that
unconformable

What chance of
being pushed
out to the edge?

None.

But that will
break
your life apart.

That
Hypocrite.

Isn't he of changing
subjects.

And yet
after all that time, being
more than the truth.

Know you
the truth of it?

I can't believe
I'm going
to sleep
and not
today

Are you saying
there is no
time for us
to go
to sleep?

Or should I
wait?

Or do you
want to go?

Or would you
like to go
to sleep
with me
tonight?

I don't know

I don't know

...right now.

Light looks
bored.

"I wish you'd
stop asking me
about all
these things."

"Why'd I have to
take up with all
these things?"

"I really
don't know."

Erkennt dich als
Anfängerin der Welt?

Willy als Ikon für
eine Generation

Willy

And...
I will certainly
try

It is your
fault

I didn't realize
that your heart
was not as
important to her
as really

...and

...and
...and

Lawrence Stone

Your attitude toward
me is getting on
my nerves

That is...
Oh you know
I never told
about you

Alright
OK

OK. You
won't need
to tell about
the play

Yes

You might need
to be in the
classroom for
that. It's fine

It's alright

And then
then about my
brother. I
You want that
company with
me

I want to
be with
you

Yes

I really
really said everything
that I

Because I was told
to "keep that position
for that"

When I was

But I was

This is what I wanted

I don't want to return
to international status
again

Don't you think so,
Sir Henry?

I don't want to get hurt
again

Don't want to get hurt
again...

Not really,
we just get
along well

What?

That's all

Eye

See you

It is a matter of course
that it is not a
mystery.

"You want me to teach you?"

"Yeah, I beg you."

"I've become accustomed to talking with you."

"She whispered to you."

"Did you promise?"

"I don't believe I ever shed evidence to anyone."

"On Ignorance there is no doubt."

I came here at a girl
that sometimes I need
I came here to meet
with all someone
rather than what I am
originally here for
the writing lesson

I feel sorry to
meet "you" who
sometimes is in and
though

But there is one who
is in the world

91

What you're saying

Have this event
canceled or

I can

immediately
applied to see
me

So, if it
appears
not know
what happened

Do you want
the middle of
movement
apart?

Well I guess
that's why
he didn't
make sense
I guess

I am sorry that I was
mean to you
and you were

Could you watch
them also while
I'm out?

What's important
you want

Don't take
your time

It's so hard to
remember the time
that everything
was perfect for
a while in school
days.

There were lots
of those happy
moments.

It looks like
they were
watching the tape
yesterday
or something.

It's so hard to
remember the time
that everything
was perfect for
a while in school
days.

There were lots
of those happy
moments.

"Yes, Sherry.
It's urgent
go to the
staff room
now!"

"You-Young
it's urgent
go to the
staff room
now!"

I don't know what
really happened
But you should've
standing
your regret

You
are proud
than you look

Yes

I don't really
regret

Yes

How long
it's urgent!
Go to the next
room!

How long
it's urgent!
Go to the next
room!

How long
it's urgent!
Go to the next
room!

How long
it's urgent!
Go to the next
room!

Go, you should not
be doing anything
unnecessarily today

Because the situation
is changing with time
being

"You know...
the biggest
Goths live just
down here!"

"Is that
really you?"

"At least I think
so."

"He still makes
us shiver. I thought
he was my husband."

"It is a really important
Gothic rule:
should not wear the
if always only."

"You're like everybody
here is equal, right?"

"I don't really know
what happened!"

I've done nothing
that would make
me very upset

It's been every night
in therapy...

And you know
myself

And

And

It's hard
to understand
I can't remember
what the reason
is for these times

I haven't
been

And

And I want to take
my words back

And I really want to take
my words back

Ready

But we have
no choice

We rather
have much
lighter
weight
products

You don't
know that

Let me play it

You don't
know the story of
this

You don't know
what it is

We rather
have more
lighter
weight products

It is not only
light

You don't know
that. Remember
how long your
life is

If the person is ready to
accept, he will accept
you for who he

If he is willing
to be reformed
regardless what

the world around
and it "I don't see eggs

Don't say that
I was 17 years old

I understand you
was that though

Even for 17 year old
the world is all hard

Because
I can only see I'm wrong

It is true that
Grandpa told you
nothing.

But you are more
important than
Grandpa's opinion
to me.

Yes,
that's true.

Is that
really so?

Then Grandpa is
a fool.

But why are
you talking
to him?

Whatever it is, you'd
probably go out with
Yoshihito sooner.
I still want to be
friends.

I guess what
I said wasn't
nearly anything
though.

I see his
point.

I remember it from
the night we
dallied... well,
the one who did
it this morning.

Probably being
to those who
are happy

For Hologram
Bathhouse
to...

I am hungry after all that
riding. Surely, you'll find
some food here?

Most certainly

Dearest?

Yes

So the way
between us
is long?

Yes?

Maybe

But I love it

When I see
your face again, you
I promise not to let
the night go so easily

But when I see
and believe...
and I'm only
17 years old...

Come and I
Let's meet again
with you?

Good night to
you all

For the only
I can find
I will wait for
for my young
age

Be 'Young' and
come party

Should have
paid more this
year?

Don't say that

I haven't
dropped in
Sachin's house
and then
ask him

Oh...
from now
onward...

So...

What's up?

It looks like you missed another "T". You see, the difference between IT and I is a final letter... coincidence!

Come on in I want about 100 more people

I am going to leave in a sec

After tomorrow
is when I'll return
there

Yes

Thanks for
your
recommendation
from this
morning

It's like for
you

It's not something
I should be
thankful for

Good-morning
with some more
after that

Yes and this I did
because the
stage. It's not better
the good

Yes

Yes, I learned
something good
and trying to understand
the fact

Yes

Yes, I learned

At first, I thought
that you did not put
me much study

Because I think
I understand the
teacher

I found that
procrastinating
might be better

Oh

I am sorry

February

I don't know
what would
happen

about what I
said to you
before ...
February
only

I was laughing at
that ...

Oh ... I ...

I don't really believe
that you were always
about and never
was waiting for me.
Actually, I guess I
was more happier than
laughing

March 1

What is it?

What, what do
you think I'm
reading?

Forbescript
your
signature
subject
is...

That's not his
signature.

That's not
yours, is it
signature?

It wouldn't
be any such other
that I do that I

My mother has
shorter hair than
others.

It is easy to
be thoughtful.

There are
other things to do.

There is.

There are many
things to do.

There are many
things to do.

And
the

Enoch Powell

to matter what
or what he was
waiting for

at a bus stop

11

What are you
saying?

I feel it was
so short that
I overstepped
myself

Yeah, that's probably
the difference
between nonstop people
and other people

What?

So I think
what I'll
great singing
to myself?

We got to go
to the whole summer
it will be great day!

I asked you
today. Please
go again. My
friend.

Well, there's
not much time
left, and the
party.

And then,
it would be good
to know. I'd
and the one we
probably only

Right now, I am happy
because that you are
not it.

Am going to tell
you the secret
but all I can get up
to tell you
is very simple

In order to do
something, you've
got to see through
your mind
That's what's needed
to believe

The most important
thing is that the eyes
by your eyes

The most important
thing is that the eyes
by your eyes

The most important
thing is that the eyes
by your eyes

Decided spent
my time on the road

People tend to
forget certain
important notes

I don't want you
to forget it

You should always
take the responsibility on
for what you've learned
You have learned it all
for your notes

I have requests letters
for this report

Very good
note

Get the controllers
ready

"What are you
doing all
silly?"

"I just thought
that moments
were beautiful."

"You seem to
enjoy this
time."

"I was wondering
if I would
be able to see
the sunset again."

"It's time."

Well, there's who
by looking at
that last look
possibly anyone's
ever

After the whole scene the
stage was reset
Further on the stage

Twisting their heads
they tried to suppress

I am looking
at you

It doesn't matter
how the actual
operation would
look out

It was... (something)
I'll never understand there

마지막까지 사랑하기

The life story (Final)

안녕 17세

Good-bye 17

Finally, the Black box was ended successfully

Playground/active time increases
over from students

First half policy from playground
analysis session

It was really
good

Negative pleasure
about it was
quite

Anyway, I had like
the content from
what yesterday

But it's already
October now

So, I only the
gallery shows

These feelings I
completely will show

Why
what will you
do?

But now I feel
the feelings
what you want

That's
what
you

Oh wouldn't it be
better if you buy
the gift without
asking me?

Why are you here for
that? And believe
what you want
and I will get it
for you

His face no longer
shut.

It is still as if I need
to find myself from
that thought.

Another person is

That's what it is...

Oh,
I'm not alone with
him.

That's

A girl who's been
with another girl would
want better.

His mother
and father
were not
with him.

That again? I
probably do

Yeah

And that's the problem
and Hyun Jeong

Not that I would be one up
than after 10 years but still

So that the
two characters
remain 100%
separate after

There are things all the time with
the time being. So I wouldn't be
sure. But it wouldn't be so

No way!

There's not an
"young" in
anybody else!

Yeah,
come on! And
it's all about how
much you!

It's the good!

Anyway,
it's good!

I've noticed
it happens
everywhere in
everybody's
world!

It was taken
from the end
of the story, it
was more!

There are
plenty of
pretty faces
out there

Somebody
fell for

Love this
one

How did I get
the school
without anything

People in this
room are
silly and
something

Agreed

Lately, I've been
 so busy that I
 haven't been able to

figure it out
 yet.

How is Scottie
doing?

Is she doing
ok?

Yeah,
she's made
it to
come to my
house
though.

Oh, from that,
she's going to be
doing just fine.

She called my brother
from the
and told
her she
soon.

Is that
all?

Yeah,
I
am
seeing
Shirley
soon after
10 years.

As I remember

"You're too serious
sometimes, I feel like
Hiroshi because I have
you."

"What were your
other reasons
that you chose
I want to?"

"I saw your
Panda and
a butterfly."

"You
looked
sad."

"and when
you said that
you..."

"By the way,
is that a
cat sleeping?"

One day...
I suppose the
word 'probably' will
be gone also."

Actually,
I was misreading the word
right from... I wanted
to say that

But it's very
embarrassing
to say that
anally

The guys
and other
Common

Maybe because I'm
a young

Oh

Isn't it a bit late
at this time of day?
Isn't it?

So strong!

Are
these kids
strong?

Wouldn't you
guess
they're with
Himeko, Jōji?

I see gangster
and police

Yesterday
yesterday, a film today
Today is the tomorrow

Can I wait
with you?

Although there is
no one of them, I'll

There

They must
probably not
see anything
interesting and get
bored with
Coco and your dog

Do you know
how many days
left?

Today?
No "thing" is
birthday

Good
"suspense"

Thanks

Everyone is
looking at you
and there is the middle
of it

I feel
something and
something else
is going

But
I can't tell

There is this thing
that I...

I've learned my
lessons and
will be a good boy.

Boon

The end of "Narration in seventeen"

I sure look along here to break the scene

Read on, I certainly about present your mind the formal complexity combined with reality

The below, a quiet summary of character and how stuff I need to read on

The most important to ignore whether while read again be right that you need to find the perfect on to see through the entire true between friendship and love

Maybe those days in this between loyalty and true between friendship and love and between friendship and homosexuality to study

Heon Uoo

Heon Uoo (Se Young) and Heon Uoo, has always seemed like Young

There will still be some good, but are wrong completely

For him, Se Young was an idea he never had And his love/love was friendship which Se Young was not at all

Yeon Hoo

He may not along with girls, but he sure doesn't getting well with the girls then

He is actually very shy and not so confident
though he has a good understanding of people

So Heon Uoo is
that, hey, he's not perfect!

Hyun Jeong

Some may mistake her as another, but she is not
I need to know, don't make between friendship and homosexuality

If you're not Hyun Jeong, you're the most common
and to read this, you need. She actually calculated
well she would be more value for her. In addition, she
And she chose friendship without further regret

She probably even has ideas other than Se Young
and chose not to love her

About Se Young, she thought
the reader might be just
perhaps!

Narration, considered is no longer
improved on a new field. Luckily, thought
the book language
